**THIRD SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

Submitted herewith for possible consideration by the Examiner in connection with the above identified patent application is an Information Disclosure Statement. This disclosure statement is being filed pursuant to 37 C.F.R. §§ 1.56, 1.97 and 1.98, as a means of complying with the duty of disclosure set forth in 35 CFR 1.56, and does not constitute a representation that the information submitted constitutes prior art.

It is submitted that a review of all of the noted information shows that applicant's invention as defined by the claims is patentably distinguishable. The Examiner's careful, independent review of the cited reference is invited as well as any inquiries or comments regarding the same.

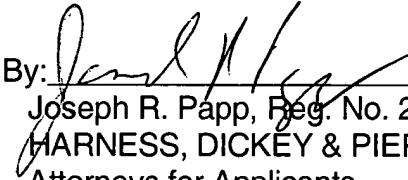

Because the present application was being filed after June 30, 2003, no copy

of the U.S. patent which is listed on the attached Form 1449 is enclosed pursuant to the waiver of 37 C.F.R. § 1.98(a)(2)(i).

In view of the fact that a first Office Action has not been received and apparently not yet issued (37 C.F.R. 1.97(b)(3)), no fee is believed due. However, in the event a late fee is deemed necessary then payment of same can be made pursuant to the authorization enclosed. In this regard it should be noted that the listed patent was just seen in the O.G. of January 13, 2004.

Respectfully submitted,

By:   
Joseph R. Papp, Reg. No. 20115
